

December 7, 2011

Dear Parents:

Due to having a new boiler installed in our school over the holiday vacation period and desire to ensure it is up and running BEFORE our students return from vacation, we will return for school on Tuesday, January 3rd, instead of Monday, January 2nd. February 10th, which was a teacher workday, will now become a regular school day to make up for being out on January 2nd.

Thank you all so much for your support of Spartanburg Charter School. Have a wonderful holiday season!

Dr. von Rohr

Principal
